*the common woman is as common as the best of bread
and will rise
and will become strong — I swear it to you
I swear it to you on my own head
I swear it to you on my common
woman's
head*

— Judy Grahn from *The Common Woman Poems*

The Common Woman Chorus seeks to sing music that accurately reflects women's varied experience and empowers rather than divides or belittles us, and to share with and educate the community through our music. The Chorus began in 1983, with Eleanor Sableski as our conductor since the middle of the first year. The Chorus has sung for such groups as the War Resisters' League, the National Abortion Rights Action League, and the Festival for the Eno.
