The Common Woman Chorus is celebrating ten years of singing, educating, and inspiring Triangle area audiences with their music. The Chorus has always striven to sing music that celebrates and reflects women's experiences. Recent appearances include the North Carolina Pride March in Raleigh, and the National Gay and Lesbian Task Force "Creating Change" Conference last month. In addition to their annual winter concerts and cabarets, they have sung for such groups as the War Resister's League, NARAL, and the Lesbian Health Conference.

I swear it to you
I swear it on my common woman's head
A common woman is as common as a common loaf of bread
And will rise

-Judy Grah
