## Special Thanks To

Eno River Unitarian Universalist Fellowship, The Chorus Auxilliary,  
Angela Williams, Regulator Bookshop

**The Common Woman Chorus** is celebrating ten years of singing music that accurately reflects women's varied experience; music that empowers rather than divides or belittles. Directed by Eleanor Sableski, they have continued to share with and educate the community through their music. The chorus has opened for Holly Near, Castlebury & Dupree, Fred Small and sung for such groups as the National Gay and Lesbian Task Force, the National Abortion Rights Action League and the Festival for the Eno.
