About Us

The Common Woman Chorus is a progressive voice and vibrant musical community that enjoys an international presence through participation in Sister Singers Network and GALA Choruses. Since 1983, the uncommon women of the Common Woman Chorus have provided musical and theatrical productions that highlight the diversity and strength of women's everyday lives and experiences while celebrating the local and global events that inspire and inform us.

We come together as a community to bring our talent, commitment, and enthusiasm to the task of creating the art that we perform—the melodies, rhythms, and lyrics that bring hope and insight and moments of soaring clarity into a world that can all too often numb us into discordant indifference.

Join Us

The Chorus cultivates a community whose support and presence inspires hope and brings sustenance. We extend membership to any woman who can maintain pitch and commit to our regular rehearsal schedule. We won't single you out for an audition, but will welcome you into a loving community that makes music in a manner that inspires joy and connection long after rehearsals end. Please join us!

Support Us

The Chorus is raising the funds required to attend and perform at the 2016 GALA Choruses conference in Denver, Colorado, and we need your help. Donations also help cover operational and administrative expenses such as rental and rehearsal space, performance expenses, and the purchase of music. The Chorus is a 501(c)(3) nonprofit organization and donations are tax deductible.
